

Hatchlings Early Learning Centre Caboolture

Acknowledgement of Country

As a Centre we acknowledge the traditional custodians of the land we play and learn on each day. We pay our respect to their Elders past, present and emerging.

We feel blessed that we share this land today and express our sorrow for the costs that sharing the land has brought.

Our hope, belief and prayers are that we can move to a place of equity, justice and partnership together". We seek to share this land together as friends, family also sharing your pride.
