JANUARY NEWS

WELCOME TO 2024

We are so excited to start the year together. We had a busy holiday period welcoming some new families and also spending our last weeks with some of our children before they started school or started a new journey as they move on.

We pray a special blessing over all our families who have left us and also we give a warm welcome to our families who are joining us this year.

It's an honor for us to be a part of your child's learning journey and encourage all families to participate as we partner together to give your child the best start to life.

UPCOMING EVENTS

Check out our Calander of events that we have for the year. If you would like to see anything added to our events Calander, we would love to hear from you! Let us know what you love to celebrate with your family, and we can add it in.

January 26- A reminder we are closed for the Public Holiday 26th January.

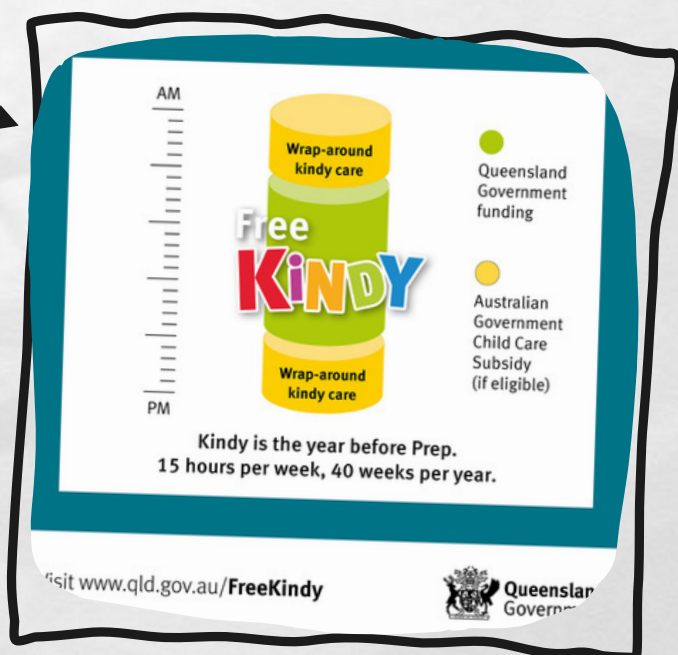

February 14 - Pancake Day and Valentines breakfast - welcome to join us for breaky on the way to work. This is a great time to get to know some other families and spend some time with your little ones before you start your day.

FREE KINDY PROGRAM

We are finally underway with all the free Kindy funding in place. This should now be reflected on your statements for those who are in Kindy.

The government are covering 15 hours of the Kindy program for every child who is eligible. This means that you will then pay the wrap around fee on either end of your session. This will depend on what session you are booked into according to your CCS eligibility. If you have more questions, please come and chat with us. Kindy families will receive further updates and information about the program and funding in the coming week.

PHILOSOPHY IN ACTION

We are excited to be able to deliver our updated Philosophy for 2024. We have listened to all of your feedback, the input from our children and Educators as to what you feel are the most important aspects of our Center and values. This feedback alongside the National Quality Standards and the EYLF principles and practices forms our current Philosophy Statement. Keep an eye out on our display in the foyer to see what our Philosophy looks like when it's put into practice in our Centre and in our community.

JOKE OF THE MONTH

5 Ants rented an apartment with another 5 ants
..... Now they're tenants.
